CANADIAN NETWORK for
the **PREVENTION** of **ELDER ABUSE**

The **Canadian Network for the Prevention of Elder Abuse** launched its knowledge sharing hub in September. It is the go to place for elder abuse stakeholders who wish to connect and exchange innovative resources with their peers across Canada.

PEAM is proud to partner with CNPEA and in November our work on the **Financial Abuse of Older Adults: Recognize, Review and Respond** was highlighted. Here is a summary of what was included:

CNPEA would like to congratulate Credit Union Central of Canada, CUSource and Tamlo International Inc. on recently winning two awards for their course **Financial Abuse of Older Adults: Recognize, Review and Respond**. They received the Gold Award for Best Use of Video for Learning from the Brandon Hall Group and the JOLT Award by the Institute for Performance and Learning.
